As can be seen from the results in August, a total of 100% of our patients said they would be extremely likely or likely to recommend us to their friends and family.

We will be continuing to ask for feedback for the foreseeable future. If you would like to assist us with your thoughts, please complete a slip in reception or go to our website at www.atherleyhousesurgery.nhs.uk and click on the link to answer the two simple questions. We really appreciate the time our patients take to let us know how we are doing.
